I would like to inform you that I'm selected for the viva voce for the post of 'Officer (General)'-2018 of 9 Banks and FIs examination. For that it is mandatory to issue the original certificate to the viva board. **My viva reporting date is 2nd November 2022.** From these circumstances I have to withdraw the certificate at least 1 week before the viva date. I ensue you that I must resubmit the document after the very next day of my viva date. I'm attaching the necessary document with this application on the basis of my statement.

I'll be thankful if you grant me to receive the necessary certificate on **27th October 2022.**
